CHILD SAFETY

Child Safety: Child Safe Blinds & Shades

Safety is a serious consideration if you have children, as cords on window treatments can contribute to fatal accidents. Some of our solutions include: Motorized window treatments, cordless window treatments or retractable cord mechanisms.

APPLICATIONS

In today's era, Window Coverings are the best and economic option for the recent Interior concepts. CAPE decor specializes in providing solutions to various applicable Interiors options, like Hotels, Hospitals, Home Interior, Corporate House, Institutions & many other...
